

**REMARKS**

This Preliminary Amendment is made to clarify the translation from German to English. No new matter is added by this amendment to the specification. A couple of typographical errors are corrected by the Amendment to the Specification.

The claims are amended to eliminate any multiple dependent claims and to correct the translation from German to English. Claims 16-20 were added to cover some of the subject matter that was previously covered by the multiple dependent claims.

FIG. 4 was corrected by adding 14" which was omitted from the drawing.

An early examination and allowance of the claims of this application is respectfully requested.

Respectfully submitted ,
